I recommend that you approve the attached request for Hazardous Duty Pay for [REDACTED] 25X1

conversation with [REDACTED] 25X1

it has been confirmed that "live" ammunition was used during training.

Although [REDACTED] does not designate weapons training as an activity eligible for hazardous duty pay, payment for this category was approved by the D/OP in 1982. This change is currently being coordinated for inclusion in [REDACTED] 25X1
